Job Description

Job title: Intern

Interns will gain unique knowledge and experience of the esports field and the customer service environment. Interns will also aid in the development of youth in STEM education.

Front desk associate - Checking in new and returning customers into our gaming center while utilizing a friendly attitude that incorporates our core values. Must have basic computer, customer service, and transaction skills. Includes managing reservations, birthday parties, camps, workshops, and a point of sale system. The Front Desk position also includes instructing STEM camps and our after school program. You are responsible for the cleanliness of the center and ensuring that products are stocked. Must consent to a background check.
